Subject: Request for the Administrator to Address Florida Citrus Industry June 14-16, 2017 in Bonita Springs
[FCM Annual Conference.Admin Pruitt invite.pdf](#)

All:

Enclosed please find an invitation to address the Florida citrus industry in Bonita Springs, Florida during its conference in June (June 14-16). The conference sponsors would welcome hearing from Administrator Pruitt regarding the partnership between EPA and local growers, and the collective efforts to guarantee a safe food supply for all Americans.

We are holding off finalizing the agenda until we get feedback from you so that we can work around the time slot that the Administrator may prefer for addressing the conference. Please let us know regarding the Administrator's availability as soon as possible. If I have missed an appropriate addressee in this request, please forward to let me know who I should forward it to.

Regards to Administrator Pruitt!

Michael
